

Adj. of Geospatial Observations - Homework 7
assigned wed. 17 Oct., due Monday 3 Dec. 2012

obtain a copy and read the book: The Day the World
Discovered the Sun, by Mark Anderson. Write a (approx.)
2 page review of the book. Include responses to the
following:

- Who, in your opinion, is the most appealing character in the book? Why?
- Give an example of something in the book that relates to the topics of this course.
- If you had to advise the author on how to improve a 2nd edition, what would your advice be?
- Have you ever complained about disagreeable weather or unpleasant conditions when you were doing field work? Will this story influence your future complaining?
