

- (1) How am I doing in terms of covering the class materials? Are the materials interesting to you? Am I going too fast? too slow? Do you feel that you can follow the pace of the lectures? Any specific comments.
  
- (2) How are the lectures? Do I speak too fast? too slow? Is the writing legible and useful? Any specific comments.
  
- (3) Are you comfortable asking questions in the lectures? If not, why?
  
- (4) Are the home and project assignments reasonable? Are they helpful to the midterm? Is the exam reasonable?
  
- (5) Are you getting sufficient help from me and/or the Class Helpers outside of class? Any specific comments.
  
- (6) Any suggestions you think I can help the class (and you) understand the materials better? Any suggestions to the Class Helpers?
  
- (7) Overall, how do you feel about the class so far?
