

## Mobility Laboratory Rules

Contact Numbers:

Prof. Allebach (765) 494-3535

Prof. Delp (765) 494-1740

The following rules should be observed at all times:

1. Use the laboratory responsibly all times, and be considerate of others who are using it.
2. Make sure laboratory doors are locked, when you leave it.
3. All mobile equipment must be checked out before personal/team use.
4. Books of the Mobility Lab must be used inside the laboratory.
5. Do not store important files in the Mobility Lab computers. Use your team account at Mobility Project file servers.
6. Printers in the Mobility Lab are to be used only for class related activities. Unauthorized use of printers will result in loss of laboratory access.
7. No drinking, eating or smoking in the lab.
8. Do not write on tables or computers.
9. Do not leave screens locked out for any extended period of time.
10. Please report abuses to Prof. Allebach 43535 or Prof. Delp 41740.
