Engineers Bring 'Invisibility' One Step Closer to Reality

Mankind121 submitted, made popular 2 minutes ago (master.redorbit.com)

The Purdue University engineers, following mathematical guidelines devised in 2006 by physicists in the United Kingdom, have created a theoretical design that uses an array of tiny needles radiating outward from a central spoke. The design, which resembles a round hairbrush, would bend light around the object being cloaked. Background objects.... More...

Questions From Your Girlfriend That Aren't Really Questions

MrBabyMan submitted, made popular 12 minutes ago (www.doublevikings.com)

You know the feeling: things seem to be going well with your significant other. The sex is great, the moments without sex are mildly tolerable, and she hasn't once gotten angry at you for ejaculating onto her favorite blouse. But then, of course, the questions begin. We have compiled a list of these, along with exactly how you're supposed to react. More...

Do Naked Ladies Turn Men On?

 [mattman12345](#) submitted, made popular **1 hour 52 min ago** ([www.scribd.com](#))

"On the old Benny Hill Show, there was once a skit where two guys are lying in front of a beach change house. A woman, fully dressed, is lying in a deck chair in front of the beach house, and the two men are looking "up her dress." Presently the woman gets up, goes in the change house, comes out in a very skimpy bikini..." [More...](#)

Bush just lied in his press conference about Iraq

 [aravosis](#) submitted, made popular **2 hours 12 min ago** ([americablog.blogspot.com](#))

Bush just spoke to the nation, trying to convince the public to support his Iraq quagmire, and he claimed again that the surge, the escalation, was the idea of his commanders in the field, and he's just following their advice. In fact, all of the Joint Chiefs, the heads of the Army, Navy, Air Force and Marines, ALL opposed the surge. He lied, again [More...](#)

Extraordinary move to legalize poppy crops in Afghanistan

 [asdfasdf](#) submitted, made popular **2 hours 44 min ago** ([news.independent.co.uk](#))

Tony Blair is considering calls to legalize poppy production in the Taliban's backyard. The plan could cut medical shortages of opiates worldwide, curb smuggling - and hit the insurgents. Under this pilot program, farmers in Afghanistan, which currently produces 80% of the world's opium, would produce and sell their crop legally to drug companies. [More...](#)

A better, faster desktop search for Linux!

 drag submitted, made popular **2 hours 52 min ago** (www.gnome.org)

Beagle desktop search, while useful, tends to consume way to much system resources, which leaves out Linux users that care about high performance or have older machines. Tracker is a high performance search engine written in C, uses only 3-9 megs of ram and is very Laptop-friendly. Features nautilus and deskbar support for seamless integration. [More...](#)
